2. Refund Eligibility Rules

Refunds are issued only for bookings cancelled within the applicable cancellation window as defined in the Booking and Reservation Policy.

Non-refundable rate bookings are not eligible for refunds under any circumstances.

Partial refunds may be granted for early departures if the guest checks out before the scheduled departure date, subject to management approval.

Refunds for service complaints are authorized only by the Duty Manager or General Manager and require a documented incident report.

No refund is provided for no-show charges unless the guest provides documented proof of force majeure (e.g., flight cancellation with airline confirmation).

3. Refund Timelines

Credit card refunds are processed within 5 to 10 business days from the date of approval.

Bank transfer refunds are processed within 10 to 15 business days.

Cash refunds are processed immediately at the front desk during business hours (07:00 to 23:00).

Digital wallet refunds are processed within 3 to 7 business days.

Guests will receive an email confirmation once the refund has been initiated.

4. Cancellation Charges

Standard rate bookings cancelled less than 48 hours before check-in: one night's room charge plus applicable taxes.

Peak season bookings cancelled less than 72 hours before check-in: one night's room charge plus applicable taxes.

Group bookings cancelled less than 14 days before arrival: 50% of the total group booking value.

Non-refundable rate bookings: 100% of the total booking value is charged upon cancellation or no-show.

Cancellation charges are deducted from the guarantee card or deposit provided at the time of booking.

5. Partial Refund Conditions

Early departure refunds are calculated based on unused nights, minus any applicable cancellation charges.

Guests who downgrade their room type after check-in may receive a partial refund of the rate difference, subject to availability and management approval.

Service-related partial refunds (e.g., minibar error, billing dispute) require verification by the Front Office Manager and are limited to the disputed amount.

Partial refunds for extended stays interrupted by hotel-related issues (e.g., maintenance, overbooking) are processed at 100% of the unused portion.

6. Corporate Booking Billing Rules

Corporate bookings must be accompanied by a valid purchase order or signed corporate billing agreement.

Invoices are issued within three business days of check-out and are payable within 30 days of the invoice date.

Late payment incurs a service charge of 1.5% per month on the outstanding balance.

Corporate accounts with two or more late payments in a 12-month period will be converted to prepayment terms.

Individual incidental charges (minibar, laundry, room service) are the responsibility of the guest unless pre-authorized by the corporate account.

All corporate billing disputes must be submitted in writing within 15 days of the invoice date.

Note: Front desk staff must verify corporate billing eligibility at check-in. Do not assume direct billing without confirmation in the PMS.
