

HR BONUSES & REWARDS POLICY

1. Bonus Eligibility Rules

All full-time employees who have completed their 90-day probationary period are eligible for bonus consideration.

Part-time employees working a minimum of 20 hours per week are eligible for prorated bonuses.

Employees on disciplinary probation, suspension, or termination notice are ineligible for bonuses during the affected period.

Employees must have an active employee_id in the HR system and be on the payroll as of the bonus evaluation date.

Contractors, interns, and temporary agency staff are not eligible for the hotel bonus program.

2. Performance Evaluation Criteria

Performance is evaluated quarterly using the standardized scorecard covering: job knowledge, productivity, guest feedback, teamwork, and attendance.

Each criterion is scored on a scale of 1 to 5, with a minimum overall score of 3.0 required for bonus eligibility.

Guest feedback scores are weighted at 25% of the total evaluation for guest-facing roles.

Peer and supervisor reviews are conducted via the 360-degree feedback system.

Employees with two or more unexcused absences in a quarter are disqualified from that quarter's performance bonus.

3. Types of Bonuses

Performance Bonus

Awarded quarterly based on individual performance scorecard results.

Calculated as a percentage of base salary: 3% for 'Meets Expectations', 5% for 'Exceeds Expectations', and 8% for 'Outstanding'.

Seasonal Bonus

Awarded annually during peak revenue months (December and July) to all eligible staff.

Amount is determined by hotel profitability and is typically equivalent to one week's base salary.

Special Achievement Bonus

Awarded for exceptional contributions such as resolving a major guest crisis, implementing a cost-saving initiative, or receiving external recognition.

Nominated by department heads and approved by the HR Director and General Manager.

Amount ranges from \$200 to \$1,000 depending on the impact and scope of the achievement.

4. Approval Workflow

Department heads submit bonus nominations via the HR management system by the 5th day of the month following the evaluation period.

The HR Director reviews all nominations for compliance with eligibility and scoring criteria.

The General Manager provides final approval for all bonuses exceeding \$500 or for any discretionary awards.

Approved bonuses are processed in the next payroll cycle and reflected on the employee's payslip.

HR approval is required for all bonus types. No manager may authorize a bonus outside the formal workflow.

5. Maximum and Minimum Bonus Guidelines

The maximum annual bonus payout for any individual employee, including all bonus types combined, is capped at 20% of their annual base salary.

The minimum performance bonus payout is \$100 per quarter for eligible full-time employees.

Seasonal bonuses are not subject to the 20% cap but are included in taxable income.

Special achievement bonuses count toward the annual cap unless explicitly exempted by the General Manager.

6. Recognition Program Details

Employee of the Month: Selected by department heads based on guest feedback, peer nominations, and performance scores. Recipients receive a certificate, parking privilege, and \$100 voucher.

Service Excellence Award: Presented annually to the employee with the highest guest satisfaction scores. Recipients receive a trophy and a \$500 bonus.
